

# Annual Christmas Tree and Wreath Sale

**Please Support Our School!**

You can now purchase the same Christmas tree and other holiday items you purchase year after year while raising money for our school. Our trees and wreaths are all *Premium Grade* quality and provided to us by Christmas Tree House, a family owned business with over 80 years of continuous experience in providing fresh cut Christmas trees. All trees and wreaths sold in our Fundraiser are hand selected, so you can be confident you are receiving a fresh, high quality tree or wreath for the holiday season. We are offering competitively low prices compared to local tree lots. Also make great holiday gifts!

*Garland is now available*
